

# **BIRTHDAY PARTY INQUIRY**

Studio E Birthday Parties are 2 hours long: 1 hour of fun-filled instruction led by one of our professional instructors and an additional hour for food, cake and presents! We provide pizza, juice and water. We also provide plates, utensils, cups and napkins in a colour of your child's choosing. Please indicate your party package, as well as the date & time below.

Saturday \_\_\_\_\_  12-2pm  3-5pm

Sunday \_\_\_\_\_  12-2pm  3-5pm

## **Vocal party**

Song Choice: \_\_\_\_\_

Voice parties include 1 hour of fun and engaging vocal instruction in which children learn a song of the birthday girl/boy's choice. For an additional cost, we also have the option of recording the children singing the song together where each child will receive a CD copy of the recording to bring home. Our CDs are a convenient and creative party favour!

## **Acting Party**

Acting Parties include 1 hour of an acting in which they will learn different improvisations, acting games, and emotion exercises to learn to take on new personalities and characters. Party goers will have fun exploring how the different ways they can express themselves through their actions, body language and voices.

## **Rock Band Party**

Rock Band Parties include 1 hour of learning and playing all the instruments involved in a real Rock Band including drums, guitar, piano, vocals and ukulele! We teach how to hold each instrument properly, an overview of how to use and play each instrument, and the basic counting and rhythm involved in playing the instruments together. We let all children try out each instrument and get a chance to play through some songs of the birthday girl/boys choice.

## **DiscoverE Party**

Our DiscoverE parties are designed for children ages 0-5 years old, teaching an interactive and fun introduction to music for children. The hour of instruction includes teaching basic rhythm, music and movement. As we sing songs with repetitive lyrics we play colourful instruments and use dynamics, tempo and emotion.

**The cost is \$18.00 per child. Recordings for Vocal Parties are an additional \$2.50 per child.**
